Re: Friends of Long Stratton High School - Second Hand Uniform Shop

Dear Parents/Carers,

We have previously asked for donations of second hand uniform, and as this is the time of year when parents begin thinking about replacing uniform and our Year 11's are leaving, we wanted to remind you of this.

We are looking to be able to sell good condition, second hand uniform to pupils, parents and parents of new starters throughout the school year. This will help to recycle uniform that is no longer needed as well as allow parents to spend less money on purchasing the required uniform.

We would be looking to sell good condition second hand uniform including; blazers, shirts, trousers, grey jumpers, ties, PE tops/shorts/jumpers, football boots, trainers and shin pads. We would also welcome any donations of revision guides.

In order to run the second hand uniform shop, we are asking for donations of any of the above. These may have been outgrown, the incorrect size or is no longer wanted.

If you are able to support us in this venture, please bring any donations to the school office.

Many Thanks

Friends of Long Stratton High School
