

Go4Schools Registration Guidelines

By using Go 4 Schools, you will be able to view your child's progress online and access the following information at any time:

- Real-time assessment information
- Homework – homework tasks due in the next 7 days
- Attendance – shown from the start of the academic year
- Timetable – your child's daily and weekly timetable
- Progress Reports – full written reports which are published throughout the year
- Behaviour information

Your child's page is constantly updated, providing you with the latest information.

If you have already registered with Go4Schools, please ensure you can log onto the system to be able to view your child's progress.

If you need to register with Go4Schools, please follow the steps below using the email address you provided in the admission pack for your child.

If Go4Schools does not recognise your email address, please email jrice@lshs.org.uk to enable us to check our records.

1. Please go to www.go4schools.com

Once in this site please enter through the Parent icon on the top right hand side.

Then you will see:

Welcome

Welcome to the GO 4 Schools login page for Parents and Guardians. If you have been provided with access by your child's school you can use GO 4 Schools to access their reports and to see their attainment, attendance and, for many schools, their behaviour records too.

Email address:

Password:

Remember my email address

First-time User?

If you haven't logged on to GO 4 Parents and Guardians before, type your email address and click the "please send me a password" button. (Please note that you need to provide an email address that has been registered in GO by the school(s) that your child/children attend.)

Email address:

Please note, if you are having problems with your password please contact your child's school. For Data Protection reasons we are unable to divulge or set passwords for parents ourselves.

2. Enter your email address into the **First-time User box** and click "Please send me a password". A password link will then be generated and sent to your email address.
3. When you receive this link, copy and paste into a new tab on your internet browser. This will request you to set a password at this stage.
4. You can change your password at any time through the Settings page.
