The purpose of the policy

At LSHS we value the health and welfare of all within our community. We believe that a healthy and safe environment is important in terms of physical well-being, and is a vital factor in promoting emotional health, which in turn will affect the raising of standards. It is important to us that our policy and approach to smoking and e-cigarettes (vaping) should reflect changing social attitudes, and actively reflect and support our goals for effective and lasting drugs education.

In developing our school's policy on smoking and e-cigarettes (vaping), we have sought to:

- Reinforce the Norfolk CC policy of our school being a no-smoking and no-e-cigarette site
- Build on our commitment to community well-being
- Reinforce our drug education aims.

What is our policy?

It is our policy that smoking and e-cigarettes (vaping) will not be allowed at any school function or anywhere on the school premises. This includes:

- All school buildings
- All school grounds (including the school playing fields)
- All school run off-site activities to include educational and non-educational visits
- All outside lettings.

The policy applies to EVERYONE involved with the school community in any way:

- Employees
- Students
- Voluntary helpers
- Governors
- Visitors
- Outside contractors
- Anyone attending an outside letting

As a school we believe that everyone connected with us has a responsibility to be actively involved in the implementation of our no-smoking and no-e-cigarettes (vaping) policy, and to assist in taking all necessary and appropriate steps to ensure its full implementation.

As part of the strategy, we will:

- Ensure that the policy is regularly made known to all concerned, including; staff, students, parents/carers, voluntary helpers and hirers. This will include the display of no-smoking and e-cigarettes (vaping) signs.
- Offer all practical support to anyone in the school community who is seeking to stop smoking and using e-cigarettes (vaping).
- Keep a regular check on the school premises to ensure that they are clear of any smoking and e-cigarette (vaping) related litter.
- Support the reasoning behind the no smoking and no e-cigarettes (vaping) policy through the drug education programme and form time activities.

Sanctions

If students are caught smoking or using e-cigarettes (vaping) whether:

- Travelling to and from school
- Inside the school premises or
- On a school trip

They will be subject to the following sanctions:

- 1st offence – a 1 hour after-school detention (or equivalent) and contact home
- 2nd offence - 1 day in isolation and contact home.
- 3rd offence – Fixed term exclusion (at the discretion of the Headteacher) with subsequent reintroduction meeting between the Head and parents.

With any offence, any smoking or e-cigarettes (vaping) materials confiscated from a student will only be returned to a parent/carer .
