

Enrich Learning Trust - Health and Safety Policy

Part 1: Trust Board Statement of Intent

Effective health and safety management is integral to delivering our ambition for excellence in education and our performance as a school. Our overall objective is to provide and maintain a safe and healthy environment for our staff and pupils and others with whom we work.

We will achieve this by:

- Developing and maintaining a positive health and safety culture with an emphasis on continually improving our performance taking into account human and cultural factors
- Ensuring that health and safety management is an integral part of decision making and organisational processes
- Adopting a sensible and proportionate approach to managing risks, with well informed decision making processes for higher risk activities and ensuring a disproportionate amount of time is not spent on trivial or everyday risks
- Providing a safe and healthy working environment for our staff, pupils and others working in the school
- Ensuring safe working methods are in place and providing safe equipment.
- Communicating and consulting with our staff and their trade union representatives
- Complying with statutory requirements and where possible best practice
- Investigating and learning the lessons from accidents and work related ill health incidents
- Providing effective information, instruction and training to enable our staff to be competent in their roles
- Monitoring and reviewing systems and preventative measures to make sure they are suitable, sufficient and effective
- Ensuring adequate resources are available to fulfil our health and safety responsibilities and objectives
- Working with and monitoring our contractors to ensure consistent and comparable health and safety standards

We recognise that overall responsibility for health and safety lies with all levels of management having direct responsibility for activities and staff under their control. However, all staff have a legal and moral responsibility to take reasonable care for the health and safety of themselves and for others who may be affected by their acts or omissions.

Enrich Learning Trust - Health and Safety Policy

Part 2: Responsibilities and Organisation

Introduction

To comply with the Board of Trustee's Statement of Intent the following responsibilities have been assigned:

The Board of Trustees

Responsible for ensuring that suitable organisational arrangements are in place for the management and control of health and safety within the Trust. In particular, we will ensure that:

- A written policy statement is created and communicated which promotes a positive attitude towards health and safety in staff and pupils
- Responsibilities for health, safety and welfare are allocated to specific people and those people are informed of these responsibilities
- A lead governor for health and safety is nominated at each School within the Trust
- People have sufficient experience, knowledge and training to perform the tasks required of them
- Clear procedures are created which assess the risk from hazards and produce safe systems of work
- Sufficient funds are allocated to operate safe systems of work
- Health and safety performance is monitored and targets for improvement are set
- The Trust's health and safety policy is reviewed at least every two years
- Our management of health and safety considers the needs of anyone with a protected characteristic under the Equalities Act

The Headteacher at each School

Responsible for all staff and activities under their control and will ensure that the requirements of relevant safety policies and procedures are implemented and complied with. In particular, they will:

Be fully committed to the Board of Trustee's Statement of Intent, ensuring that a positive health and safety culture is demonstrated and promoted through their leadership.

Based on NCC Model School Health and Safety Policy P611c

Ensure that appropriate risk assessments are undertaken by competent persons and that suitable control measures are taken on a risk basis to manage the health and safety risks to staff and any other people who may be affected by the school's activities

- Monitor and review health and safety performance through:
 - Undertaking health and safety inspections of work areas/practices in line with relevant policy
 - Setting health and safety targets and objectives through appraisals and other supervisory reviews
 - Reviewing incidents and accidents
 - Monitoring commissioned and contracted work under their control for compliance
 - Ensure that the management of health and safety in the areas under their control considers the needs of anyone with a protected characteristic under the Equalities Act
- Develop safe systems of work and procedures and ensure that they are implemented
- Ensure prompt action is taken to resolve any situations that may adversely affect the health and safety of staff or other people
- Ensure that they undertake all relevant training and staff are given adequate information, instruction, training and supervision to carry out their duties, paying particular attention to new/inexperienced employees and trainees
- Ensure that all plant and work equipment provided is: selected through a risk assessment process, suitable, properly maintained and subject to all necessary tests and examinations
- Ensure that accidents and incidents (including near misses and violence and aggression) are reported and investigated and the findings acted upon without delay
- Ensure there are meaningful, effective arrangements in place for consulting employees and their trade union representatives on health and safety matters that affect them
- Ensure information that may assist safety representatives in their role is provided to them When commissioning work through partners and contractors, ensure that they are selected and managed in line with statutory requirements and Council policy
- Ensure that they seek timely assistance and advice where expert help is required from the Health, Safety and Well-being team at Norfolk County Council

Based on NCC Model School Health and Safety Policy P611c

- Report to the Governing Body at least annually on the school's health and safety performance

Lead Governor for Health and Safety

The Lead Governor has the following responsibilities:

- To be fully and visibly committed to the Statement of Intent for health and safety
- To scrutinise and review health and safety performance at their school
- To provide support and challenge to the Headteacher and the Governing Body in fulfilling their health and safety responsibilities
- To assure, in particular, that risk assessments of the premises and working practices are documented and carried out

Health and Safety Coordinator / Premises Manager

The Health and Safety Coordinator has the following responsibilities:

- To coordinate and manage the annual risk assessment process for the school
- To coordinate performance monitoring processes
- To make provision for the inspection and maintenance of work equipment
- To manage the keeping of records of all health and safety activities including management of building fabric and building services in liaison with appropriate contractors.
- To advise the Headteacher of situations or activities which are potentially hazardous to the health and safety of staff, pupils and visitors.
- To ensure that staff are adequately instructed in safety and welfare matters about their specific workplace and the school generally.

Teaching and support staff holding positions of special responsibility

This includes Deputy/Assistant Headteachers, Heads of Faculty, Heads of Department, Caretakers/Site Managers

They have the following responsibilities:

- Apply the Trust's Health and Safety Policy and the relevant health and safety Codes of Practice to their own department or area of work and be directly responsible to the Headteacher for the application of the health and safety procedures and arrangements
- Carry out regular health and safety risk assessments of the activities for which they are responsible

Based on NCC Model School Health and Safety Policy P611c

- Ensure that all staff under their management are familiar with the relevant health and safety Codes of Practice, for their area of work
- Resolve health, safety and welfare issues that staff refer to them, or refer to the Headteacher any matters for which they cannot achieve a satisfactory solution within the resources available
- Carry out regular inspections of their areas of responsibility to ensure that equipment, and activities are safe and record these inspections where required
- Ensure, so far as is reasonably practicable, the provision of sufficient information, instruction, training and supervision to enable other staff and pupils to avoid hazards and contribute positively to their own health and safety
- Investigate any accidents that occur within their area of responsibility

Class Teachers

Class teachers are expected to:

- Exercise effective supervision of their pupils, to know the procedures for fire, first aid and other emergencies and to carry them out
- Follow the particular health and safety measures to be adopted in their own teaching areas as laid down in the relevant Codes of Practice
- Give clear oral and written instructions and warnings to pupils when necessary
- Follow safe working procedures
- Require the use of protective clothing and guards where necessary
- Make recommendations to their Headteacher or manager regarding equipment and improvements to plant, tools, equipment or machinery
- Integrate all relevant aspects of safety into the teaching process
- Report all accidents, defects and dangerous occurrences to their manager

Employee Consultation/Safety Representatives

The Board of Trustees believe that consulting employees on health and safety matters is important in creating and maintaining a safe and healthy working environment.

Representatives of trade unions recognised by the Trust should be consulted on all matters of health and safety that may affect staff and on the provision of health and safety information and training. Non-union staff should also be consulted directly.

Before making any decisions which could have health and safety consequences for staff, the governing body will inform safety representatives about the proposed course of action and give them an opportunity to express their views.

Staff

All staff have individual responsibility to take reasonable care for the health and safety of themselves and for others who may be affected by their acts or omissions. In particular, they must:

- Comply with the school's health and safety policy and procedures at all times
- Co-operate with managers in complying with relevant health and safety safe systems of work and procedures
- Use all work equipment and substances in accordance with instruction, training and information received
- Wear, use, store, maintain and replace personal protective equipment as appropriate
- Not intentionally misuse anything provided in the interests of health, safety and welfare
- Take part in and contribute to health and safety inspections, risk assessments etc. as appropriate
- Report all accidents (personal injury and vehicle), ill health, incidents of violence and aggression, near misses, hazardous situations, general health and safety concerns, defective equipment or premises
- Attend all training relevant to their role

Pupils

Pupils, allowing for their age and aptitude, are expected to:

- Take personal responsibility for the health and safety of themselves and others
- Observe standards of dress consistent with safety and/or hygiene
- Observe all the health and safety rules of the school and in particular the instructions of staff given in an emergency
- Use and not wilfully misuse, neglect or interfere with things provided for their health and safety

Enrich Learning Trust - Health and Safety Policy

Part 3: Long Stratton High School Procedures and Arrangements

The following procedures and arrangements have been adopted to ensure compliance with the Trust Board's Statement of Intent.

Lead Governor for Health and Safety

A lead governor with responsibility for scrutiny of health and safety performance will be appointed by the Local Governing Body. Their details can be provided by the Headteacher.

Risk Assessment:

General Risk Assessment

General Risk Assessment will be coordinated by The Site Manager following InfoSpace guidance and templates available. They will be responsible for ensuring the actions required are implemented.

Fire Safety

A fire risk assessment will be carried out and local fire safety procedures developed for the premises by The Site Manager following InfoSpace guidance and templates available.

Manual Handling

Manual handling risk assessments will be carried out by The Site Manager following InfoSpace guidance and templates available.

Computers and Workstations

Computer and workstation risk assessments will be carried out by The Site Manager following InfoSpace guidance and templates available.

Hazardous Substances

The Site Manager will identify hazardous substances for which no generic assessment exists in the Codes of Practice mentioned below, following InfoSpace guidance and templates available.

Violence to Staff

Assessment of the risks of violence to staff will be carried out by The Headteacher following InfoSpace guidance and templates available. This assessment cross-refers to the school's behaviour policy.

Lone Working

Assessment of the risks of lone working staff will be carried out by the Staff Member's Line Manager in conjunction with the Site Manager following InfoSpace guidance and templates available.

Risk Assessment of Curriculum Activities

Risk Assessments for curriculum activities will be carried out by relevant Heads of Department using health and safety curriculum Codes of Practice available.

Caretaking Code of Practice

Assessment of the risks to Caretakers will be assessed by The Site Manager following the Caretaking Code of Practice guidance available.

Driving for Work

Assessment of the risks of driving for business will be carried out by the Staff Member's Line Manager in conjunction with the Site Manager following InfoSpace guidance and templates available.

- Premises security and any lone working requirements.
- Pupil safety and safeguarding
- Curriculum/Subject Specific Health and Safety Training

Short health and safety e-learning modules are provided which cover core subjects including manual handling, display screen equipment and fire. Use of these courses may not necessarily replace the need for staff to attend a formal training course or receive further instruction and information, for example, lifting techniques for manual handling.

Training Records and Training Needs Identification

Health and safety training records are held on the school's SmartLog database

Training needs will be identified, arranged and monitored by Line Managers

Incident Reporting and Investigation

All accidents and cases of work-related ill health involving employees (or non employees where the injury is potentially caused by a deficiency in activity, equipment or premises must be recorded on the Smartlog system

Minor injuries to non-employees (i.e. pupils and visitors) where first aid is given will be reported on a First Aid Record of Treatment form and stored on the Smartlog system

The Site Manager will investigate all incidents, making recommendations to the Headteacher on their findings regarding actions to prevent a recurrence.

First Aid

First aid boxes are kept at: Medical Room but medical resources are also kept in the Science department and Arts/Technology block.

Contact with employees trained to provide first aid can be made through the School Office

Supporting Pupils with Medical Conditions

Prescribed medication will be administered to pupils following [guidance and documentation on Norfolk Schools](#).

The Assistant Headteacher: Progress and Attainment, is responsible for management of administration of medicines policy.

Site Security and Visitors

All visitors must report to Reception where they will be asked to sign the visitors book and wear a visitors' badge.

Other arrangements to ensure the security of pupils and employees on site are:

- Only those with a valid DBS can walk the school unaccompanied. All others must be with an adult (or two pupils) at any other time.

On-Site Vehicle Movements

The risks of persons and vehicles coming into contact will be controlled by the following measures: No vehicles will operate at times of pupil movement i.e. between lessons and during break and lunch time.

Selection and Management of Contractors / Construction & Refurbishment works

Contractors and Construction Projects are selected approved and managed by The Site Manager and/or the Trust. InfoSpace Guidance and templates available.

Management of Asbestos

The asbestos register and asbestos management plan is held at: Site Manager's office. The Site Manager is responsible for ensuring that contractors who may be working in areas where asbestos has been identified sign the register and that any changes to the register are notified to NPS.

Educational Visits

Educational visits, including residential visits and any school-led adventure activities, will be organised following guidance produced by the Outdoor Education Advisers Panel and adopted by Norfolk County Council.
